## **FINISH STRONG**

As we come down to the final weeks of play it is imperative that you officiate the last two minutes without a mistake. When you blow the whistle, you must be right. I have heard of errors that have cost a team the game, there is **NO** excuse for not knowing the rules; errors in judgment need to be at a minimum. Remember, you can work a great game for **39** minutes and **30** seconds, they will only remember the last **30** seconds. **BE SMART!!!**

Lastly, I would like to take a moment and Thank Each of You, for your continued Support and Co-operation.
